COUNTY OF OTERO
TWELFTH JUDICIAL DISTRICT**

JEFF SWANSON,

Plaintiff,

v.

Civ. No. D-1215-CV-2020-00373

Schneider, Angie K.

**COUY GRIFFIN,
Otero County Commissioner in his individual
capacity acting under the color of law, and
SYLVIA TILLBROOK, Otero County
Records Custodian,**

Defendants.

**COMPLAINT TO RECOVER DAMAGES DUE TO DEPRIVATION OF CIVIL RIGHTS
VIOLATIONS OF THE UNITED STATES AND NEW MEXICO CONSTITUTIONS
AND FOR VIOLATIONS OF THE NEW MEXICO
INSPECTION OF PUBLIC RECORDS ACT**

Plaintiffs bring this action to recover damages for violations of their civil rights pursuant to 42 U.S.C. 1983 and for retaliation and harassment under the color of law with the intent to bring harm and for violations of the New Mexico Inspection of Public Records Act;

INTRODUCTION/STATEMENT OF THE CASE

Plaintiff is a citizen advocate watchdog residing in Otero County, New Mexico. In that role Mr. Swanson is a vocal proponent of government transparency and accountability and has at times expressed criticism of Defendant Commissioner Couy Griffin's actions as an Otero County Commissioner. Commissioner Griffin has responded to such criticism from Mr. Swanson and other constituents expressing concern with hostility and unprofessionalism. That hostility lead to the retaliation of Commissioner Griffin blocking Mr. Swanson and many other constituent citizens from Commissioner Griffin's Facebook page where he discussed public business concerning Otero County. Recently, following a County Commission meeting, Cmr. Griffin posted a discussion of that meeting on his Facebook page; Mr. Swanson was alerted to this posting by others but was

unable to see the posting about public business because he was blocked by Cmr. Griffin. Mr. Swanson arranged to have undersigned counsel request these public records about Otero County's public business from Otero County pursuant to the New Mexico Inspection of Public Records Act (IPRA). Mr. Swanson received some of the requested records, which included a list of citizens blocked from Cmr. Griffin's Facebook page where he has commonly discussed the public business of Otero County.

PARTIES

1. Plaintiff Jeff Swanson is a resident of Otero County, NM.
2. Defendant Couy Griffin is an elected county commissioner for Otero County.
3. Defendant Sylvia Tillbrook is the records custodian for Otero County.

JURISDICTION AND VENUE

4. This Court has both subject matter jurisdiction over this action and personal jurisdiction over the Parties pursuant to the New Mexico Constitution and the NMSA §14-2-1 *et seq.*

5. Venue lies in this district as Plaintiff Jeff Swanson is a resident of Otero County.

FACTUAL BACKGROUND

6. Defendant Couy Griffin, likely sometime in 2019 or before blocked Plaintiff Jeff Swanson from access to his Facebook page where he discussed the public business of Otero County with constituents. *See* Exhibit 1.

7. Plaintiff directed undersigned counsel to request certain public records regarding Defendant Griffin's Facebook on March 29, 2020. *See* Exhibit 2 attached hereto.

8. Sometime between March 29, 2020 and April 16, 2020 Defendant Griffin undertook to destroy the requested records by deleting them from his Facebook page out of retaliation and to avoid his responsibility for transparency. However, a large number of posts about

the public business of Otero County continued to exist on April 16, 2020 and were preserved by Plaintiff's counsel. *See* Exhibit 3 attached hereto.

9. On April 14, 2020, legal counsel for Otero County, Michael Eshleman, responded on behalf of Defendants to inform Plaintiff's counsel that there were no records responsive to Plaintiff's request other than to provide the list of blocked constituents. *See* Exhibit 2.

10. The individual actions of Defendant Griffin, acting under the color of law, to destroy public records, withhold other public records and to block Plaintiff from his Facebook page where public business was discussed with constituents were maliciously done for the purpose of retaliating against Plaintiff for his exercise of his First Amendment right to petition his government for redress of grievances and to engage in protected speech that was critical of one of his elected government officials.

11. Defendant Griffin's action to block Plaintiff, because of his viewpoint, from a public forum where Defendant Griffin was discussing public business with the general public, was viewpoint discrimination. *See Knight First Amendment Institute at Columbia University v. Trump*, 302 F.Supp.3d 541 (S.D.N.Y. 2018)

**FIRST CAUSE OF ACTION:
VIOLATION OF FIRST AMENDMENT RIGHTS BY DEFENDANTS – FIRST
AMENDMENT RETALIATION AND VIEWPOINT DISCRIMINATION**

12. Plaintiffs re-allege each of the above paragraphs as if fully set forth herein.

13. The First Amendment of the United States Constitution protects an individual's freedom of expression/freedom of speech and the individual's right to petition their government for redress.

14. As a government actor, individually, acting under the color of law, Cmr. Griffin maliciously violated the First Amendment rights of Plaintiff through retaliation to withhold and destroy public records and through viewpoint discrimination by blocking Plaintiff from a public

forum where Defendant Griffin was discussing the public business appurtenant to his elected position.

15. As a direct and proximate result of the retaliatory actions, Plaintiff suffered injuries consisting of deprivation of a Constitutional Right.

16. Defendant Griffin is also subject to punitive damages for his conduct.

**SECOND CAUSE OF ACTION:
VIOLATION OF INSPECTION OF PUBLIC RECORDS ACT
BY DEFENDANT MONTOYA**

17. Plaintiff re-alleges each of the above paragraphs as if fully set forth herein.

18. Pursuant to NMSA 1978 § 14-2-11 Defendants have violated the New Mexico Inspection of Public Records Act by failing to respond or provide for inspection the requested public records.

19. Because Defendants have violated the IPRA by failing to produce to Plaintiff the public records requested by Plaintiff without justification under the law, Plaintiff is entitled to an injunction ordering the Defendants to produce all relevant documents in the Defendants' possession including those that may be retrieved after being unlawfully deleted by Cmr. Griffin.

20. Pursuant to NMSA 1978 § 14-2-11 Plaintiff is entitled to statutory damages, attorney's fees, and costs for the failure of the Defendants to follow IPRA.

PRAYER FOR RELIEF

WHEREFORE, Plaintiffs respectfully request the Court exercise its jurisdiction and enter, pursuant to the Court's original jurisdiction, and the New Mexico Inspection of Public Records Act:

A. A trial on the merits before a jury;

B. A declaration that the actions of identified Defendants described in this Complaint violated Plaintiff's First Amendment Rights by interfering with his protected speech

and interfering with his right to petition his government for redress;

- C. General and specific compensatory damages according to proof;
- D. Punitive damages in such amount as will sufficiently punish defendants for their willful and malicious conduct and as will serve as an example to prevent a repetition of such conduct in the future;
- E. Interest on such damages awarded at the legal rate from the date of judgment until paid;
- F. An order granting Plaintiff's costs and attorney fees pursuant to 42 USC §1988;
- G. A finding adjudicating that the failure of the Defendants to timely respond or provide the public records requested by Plaintiff is in violation of the New Mexico Inspection of Public Records Act, or if necessary, a writ of mandamus requiring the Defendants to produce the requested records;
- H. Judgment in favor of Plaintiff on Defendants' violation of the Inspection of Public Record Act;
- I. An injunction to enforce the provisions of the New Mexico Inspection of Public Records Act;
- J. An Order awarding Plaintiff statutory damages for violation of the Inspection of Public Records Act;
- K. Any and all other relief that may be appropriate as deemed by this Court.

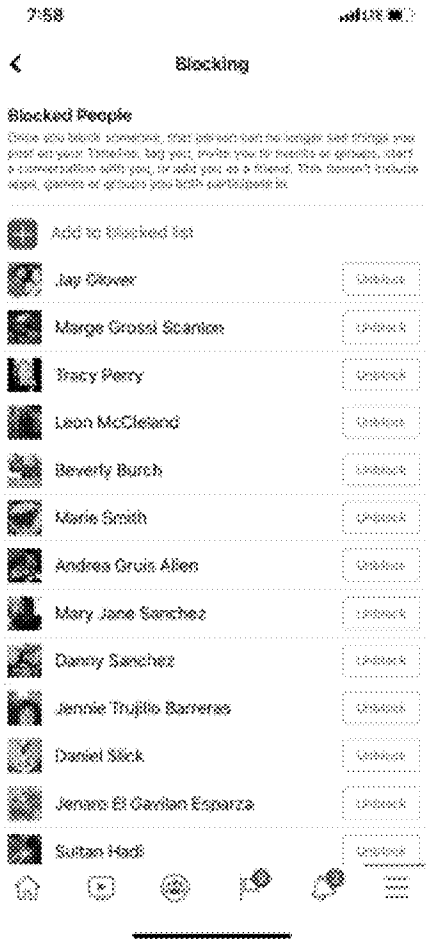

Respectfully submitted this 21st day of April 2020.

3. Copies of every post including the comments from Couy Griffin's Facebook page regarding county business for the last 12 months.

Just to be clear - Couy's Facebook page discussed public business yesterday, so there is no question that such records exist. Please also treat this email as a litigation hold letter and be aware that any action to destroy records will be pursued as an adverse inference sanction. It is documented that Couy Griffin has several people blocked and unblocking them would be an example of spoliation.

Michelle Grisham only further proved her cowardice and poor character by not reaching out to our County Sheriff and County Government. She is a partisan hack that only wants to hear things that agree with her and her political agenda. Her insecurity shows from the platform shoes she wears to the people she chooses to meet with. Friends and fellow patriots. I need your help. Yesterday I was informed that Governor Michelle Lujan Grisham was traveling to Alamogordo to discuss issues affecting this community. I called her office 5 times to try and find out details and discuss possibilities of meeting with her. Her office staff only put me on hold or took my # down and said they would call me back. Well guess what? I'm still waiting on a call. That's where you come in. Could I ask you to please call her office and ask them to return my call?? After all our efforts in Otero County this is the total disrespect we receive. Please click on the number and call (505) 476-2200 and ask them to call me back. Lets make her phone ring and demand our voices be heard. Please make the call.

Please call your county commissioners. No matter what county you are in. And demand resolutions to be put in place to safeguard tax payer monies and county resources against illegals/asylum seekers. We must take a stand together. Stand with Otero, Lincoln and Sierra Counties.

New Mexico Congressional Delegation,

We elected officials in our respective New Mexico counties hereby declare that we believe the southern border immigration crisis has reached the level of an emergency situation.

This emergency must be addressed and it must be addressed immediately. Our communities do not have the resources nor the budgets to handle the massive influx of immigrants we are experiencing and are expected to experience in the very near future. Our scarce resources are in danger of being rapidly depleted to the point that we will be unable to effectively care for our own citizens and our existing homeless populations, many of whom are American veterans.

We, whom you represent, request that you put politics aside and support the President of the United States in his request for the supplemental funding necessary to effectively address this crisis and provide the New Mexicans you serve with the relief we so desperately need. We implore you to protect the border and provide processes that protect immigrants and/or asylum seekers crossing into the United States properly and legally.

It is with our constituent's support and with their well-being in mind that we request you exercise your elected duty to the people whom you serve and act now in this emergency situation to overcome the politics in addressing this humanitarian crisis with no further delay. Please work with the President to give relief and security to both New Mexicans and the immigrants entering through our southern border.

Dear Congresswoman Small,

I pray that God gives you the humility and wisdom to recognize your position on border security has been wrong. Our County, State, and Nation is under extreme danger right now and it is due to poor decisions regarding policy on our border.

I pray that you don't translate this message into political jargon but you will sincerely consider the effects of an unsecured border.

Please consider the safety, security, and well being of American citizens and your constituents first and foremost.

All wrongs can be made right but it takes humility and strength!

December 26, 2018

Please accept this letter as an urgent request for assistance in Southwestern New Mexico. Hidalgo County is in dire need of resources and reinforcements. We feel there is an eminent threat to the safety and welfare of our citizens in Hidalgo County. Resources such as medical, law enforcement, and sanitation are amongst those most needed.

Our Hidalgo County Emergency Medical Services team consist of 7 full-time employees and 5 volunteers. The team of Emergency Medical Services covers over 5,000 square miles. At the very least we can say they are stretched very thin. The nearest hospital is 50 plus miles from us. The Forward Operating Base located in Antelope Wells is at least one and a half hour away from the nearest hospital. As Emergency Medical Services have a duty to provide proper care, assessment and transport to patients; our resources are very limited. Please send emergency medical services to assist us with the overwhelming number of immigrants coming in daily.

Our Border Patrol work diligently to assist the County and its citizens with anything that is in the best interest of our County. With the amount of immigrants coming in daily, they are stretched thin as far as resources go.

Sanitation is a major concern for Hidalgo County, as well. Currently a local vendor is providing porta-potties to Antelope Wells FOB, the vendor is very concerned with the unsanitary manner they are being utilized. She is concerned for her employees, immigrants and anyone else who may come into contact with them. Individuals who use the porta-potties refuse to dispose of toilet paper, etc. they instead leave it in a pile next to the toilet. The smell is horrific and the thought of any type of disease that may now be exposed. Would the military be able to provide latrines?

Our citizens who live in Hidalgo County near the border, more specifically in Antelope Wells are not safe any longer. They encounter up to 30 or more immigrants daily in their own yards. The only thing between our citizens and our border is a barbed wire fence. Thankfully, at this time the encounters have not been violent. These issues need to be addressed at the state and national levels. We are begging for your assistance to get this situation under control before it gets any worse.

Sincerely,

Tomas Green
